TypeLit

Fingertraining mit
klassischer Literatur
verbinden

The screenshot displays the TypeLit.io website interface. At the top right, there are navigation links for 'Import', 'About', and 'Sign In', along with a settings icon. The main content area features a dark background with white text. A prominent section titled 'Test your typing online by practicing on your favorite literature. Choose a book below to get started, or subscribe and import your own!' includes a bulleted list of features: 'Improve your typing speed and accuracy in multiple languages', 'Sign in, track your progress, and level up as you learn to type faster and better', and 'Never lose your place — Auto-save at the start of each line'. Below this, a 'Chapter 1' section shows a snippet of text from a book, with a cursor positioned at the start of a line. The 'Latest Features: Bring Your Own Books' section is highlighted with a dropdown arrow. Underneath, there are two tabs: 'Classics' (selected) and 'Custom'. A 'Language' dropdown menu is set to 'German'. The main display area contains a grid of book cards, each with a cover image, title, author, and page count. The books listed are: 'Alice im Wunderland' by Lewis Carroll (117 Pages), 'Also sprach Zarathustra' by Friedrich Nietzsche (465 Pages), 'Anna Karenina' by Leo Tolstoy (1603 Pages), 'Das Bildnis des Dorian Gray' by Oscar Wilde (316 Pages), 'Der Schimmelreiter' by Theodor Storm (163 Pages), 'Die Schatzinsel' by Robert Louis Stevenson (275 Pages), 'Die Verwandlung' by Franz Kafka (65 Pages), 'Eine Geschichte von zwei Städt...' by Charles Dickens (591 Pages), 'Eine Weihnachtsgeschichte' by Charles Dickens (115 Pages), and 'Oliver Twist' by Charles Dickens (528 Pages).

Paywalls umgehen mit SEO Lücken

The screenshot displays the 12ft website interface. At the top left is the logo **12ft**. At the top right, it says "Now Available on iOS" with an Apple logo. The main content area features a central text block: **Show me a 10ft paywall, I'll show you a 12ft ladder.** This text is flanked by two line-art illustrations of raised fists, each holding a chain link. Below the text is a text input field containing the URL `https://news.com/article.` and a yellow button labeled "Remove Paywall". At the bottom, it says "Bypass any paywall," followed by the URL format `https://12ft.io/<URL>`.

Beacons

Ein Dienst um eine stylische Linkliste zu erstellen.

The image shows a screenshot of the Beacons website. At the top, there is a navigation menu with links for Pricing, Features, Platforms, Management, Blog, Careers, and About us. The main content area features a central smartphone displaying a mobile app interface for 'SPRINKLE of Rain'. The app interface includes a profile picture, the handle '@nata.hsu', social media icons, a 'VOUCHER CODE' section, and a 'CHARIS SALE - Superface Cushion (1/11 Nov)' announcement. Surrounding the smartphone are several colorful, stylized text elements: 'START SOMETHING', 'Welcome to my place', 'Like Magic', 'SUPER FAN', 'CREATOR', 'JUST DO IT', 'BREAK THE INTERNET', 'SHOW ME DA MONEY', and 'Do What You Love!'. At the bottom of the page, there is a prominent yellow button labeled 'Get Started Now' and a smaller text line that reads 'Get your website up and running in 2 minutes'.
